## 1.2 School Based Apprenticeships and Traineeships Program

The eligibility and evidence requirements for the School Based Apprenticeships and Traineeships Program are set out in the ***School Based Apprenticeships and Traineeships Student Eligibility Policy***.

## 1.3 Overview of Smart and Skilled

Smart and Skilled provides eligible students with access to Government subsidised training in NSW. This includes an entitlement for all NSW citizens to undertake an Apprenticeship and Traineeship.

The NSW Skills list provides the nationally accredited qualifications and courses that eligible students may elect to undertake. Eligible students may also undertake a short course (either a nationally accredited skills sets or a bespoke skills set made up of nationally accredited units of competency and/or modules) through the Targeted Priorities Prevocational and Part Qualifications Program.

Under Smart and Skilled, a student contributes towards the cost of training through the payment of a student fee.

There are different categories of student fees, based on the program, the qualification and the characteristics of the student. The schedule of fees for each qualification on the NSW Skills List can be accessed at: [www.training.nsw.gov.au/smartandskilled/prices\\_fees.html](http://www.training.nsw.gov.au/smartandskilled/prices_fees.html).

Some students may be eligible for fee-free training or a concession fee.

The **Smart and Skilled Fee Administration Policy** provides detailed guidance on fee arrangements and eligibility requirements for fee-free training or fee concessions.
