Package Management Fee

Package management is the ongoing organisational activities associated with ensuring the smooth delivery and management of a home care package. It may include the costs for preparing monthly statements; managing package funds; and compliance and quality assurance activities required for home care.

Care Management Fee

Care management, often called case management or care coordination, may include reviewing a Home Care Agreement and care plan, coordination and scheduling of services, ensuring the care is aligned with other supports, providing a point-of-contact for the home care recipient or their support network and identifying and addressing risks to the home care recipient's safety. These services may be provided in different ways including face-to-face or via phone or email.
