## CHC43015 CERTIFICATE IV IN AGEING SUPPORT

### WHAT ARE THE STUDY REQUIREMENTS?

For those studying in a classroom environment you will be expected to devote approximately 8 hours of home study per week in addition to your classroom hours and 120 hours of work placement. A textbook will be provided and pre-reading is essential before attending classes.

### IS THIS COURSE FOR YOU?

Like choosing any area of study the choice is a personal one for you to make. Aged Care is a rapidly expanding industry where demand for workers will increase as the Australian population increases. The knowledge and skills required by an experienced and more senior Aged Care worker are increasingly being respected by the population as a whole.

### WHEN AND WHERE ARE THE COURSES HELD?

1 day per fortnight up to an 12 month period with a mixture of virtual and face to face classes which may be scheduled in Wollongong, Milton, Sydney and other IRT locations in NSW and ACT.

### IS THERE WORKPLACEMENT AND WHO ORGANISES IT?

Yes, 120 hours of workplacement is required in an aged care centre. IRT Academy will assist in organising work placement but can't guarantee work placement in areas where IRT does not have an aged care centre.

### HOW WILL YOU BE ASSESSED?

You will be assessed a number of ways. These methods may include:

- Virtual and face-to-face classroom sessions
- Group discussions
- Practical activities and projects
- Written questions and research exercises
- Practical observations in a simulated environment and the workplace
- Role-plays
