Course pathways

There are different course pathways available for you to complete your course and achieve your qualification/statement of attainment:

1. Recognition of Prior Learning Pathway – you apply for recognition for *all or some* of the units of competency.
2. Credit Transfer – a recognition of current competency.
3. Assessment Only Pathway – you complete assessment tasks **ONLY** for each unit of competency.
4. Complete Course Pathway - you attend all training sessions; complete all developmental tasks and all units of competency assessments as required.

Please note: It is at the discretion of IRT Academy to approve the course pathway

What is the recognition of prior learning pathway?

Recognition of Prior Learning (RPL) is the recognition of a person's current skills and knowledge acquired through prior learning from other training, work or life experience.

If this pathway suitable for you, you may request this pathway before or at IRT Academy Orientation. Please see your Trainer/Assessor to discuss application process for your qualification/unit of competency(s).

You may apply for RPL against the entire qualification or the units of competency that you believe you have already achieved competency. Your intent needs to also be noted on your Enrolment Form.

The RPL application process will require you to submit: a professional portfolio of evidence; verified copies of prior qualifications; validated work experience; general life experience; or a combination of any or all of these. This is required to be submitted within two weeks of submitting your RPL application and associated evidence.

The evidence you provide must meet the following criteria:

- Relevant and valid – All evidence must relate to the current unit(s).
- Sufficient – Generally three (3) forms of evidence are required for each unit of competency.
- Authentic – All evidence must be your own, must reflect actual workplace/life experience that directly relates to the unit of competency. All evidence that is submitted must be verified. For example, the evidence may be sighted and verified by a JP, or confirmed by your supervisor.
- Current – Unit of competency related evidence should not be older than two years. This is the evidence that should indicate that you have used the knowledge and skills over the last two years and preferably no more than three years ago, otherwise it might be deemed inadequate evidence of current competence.

If the evidence does not meet the above criteria your Trainer/Assessor may suggest one or more of the following options:

- You may be required to provide more evidence.
- You may need to demonstrate further on-the-job skills and knowledge relating to competence.
- You may be requested to complete whole or part of unit study assessment.

You are welcome to request a copy of the current IRT Academy Fee and Charges Schedule for pricing and conditions.

The following are also available to support you;

- a. RPL Student Introduction Letter
- b. RPL Student Application Form
- c. RPL Evidence Guide

Credit transfer

If you wish to apply for Credit Transfer please indicate your intent on the IRT Academy Enrolment Form and advise your Trainer/Assessor. We will need to determine if we are able to grant Credit Transfer depending on both your qualifications and the rules that apply to the course you are enrolling in. You will need to complete the Credit Transfer Application form.

You will be required to bring in verified copies of your other qualifications or the original plus a copy for us to verify within two weeks of course commencement.

Please note credit transfer is only available for units of competency with the exact unit code within the qualification packaging rules.

The Assessment Only Pathway requires you to complete unit of competency/course assessment activities which directly relate to the unit of study and elements of the individual competency.

All assessment task work must be your own. In some instances, the evidence may need to be authenticated by your workplace supervisor or the Trainer/Assessor. You must submit all assessment tasks as per the Assessment Agreement.

Flexibility

Please note that IRT Academy offers the range of course pathways outlined above flexibly and you are welcome to undertake your course with a combination of the above.

Unique student identifier

What is a Unique Student Identifier (USI)?

All students studying nationally recognised training in Australia are required to have a Unique Student Identifier (USI). A USI is an account (or reference number) made up of numbers and letters. The USI will allow you online access to your training records and results (transcript) through the USI account.

A USI account will contain all of your nationally recognised training records and results from 1 January 2015 onwards.

When applying for a job or enrolling in further study, you will often need to provide their training records and results. One of the main benefits of the USI is that you will have easy access to their training records and results throughout their life.

You can access the USI account online from a computer, tablet or smart phone anywhere and anytime.

Who needs a USI?

Students who need a USI include:

- students who are enrolling in nationally recognised training for the first time;
- school students completing nationally recognised training; and
- students continuing with nationally recognised training.

A student who is "continuing study" is a student who has already started their course in a previous year (and not yet completed it) and will continue studying after 1 January 2015.

Support

It is our responsibility to ensure that students experiencing disadvantage are supported to meet their individual needs.

For example; the Disability Standards for Education 2005 outlines the key steps to be undertaken including;

1. **Consultation** - we must consult with the student in order to understand the impact of a student's disability and to determine whether any adjustments or changes are needed to assist the student
2. **Reasonable adjustments** - An adjustment is a measure or action taken to assist a student with disability to participate in education and training on the same basis as other students.

An adjustment is reasonable if it achieves this purpose while taking into account the student's learning needs and balancing the interests of all parties affected, including those of the student with disability, the education provider, staff and other students

3. **Eliminating discrimination** - education providers develop and implement strategies to prevent harassment and victimisation of people with disability. Harassment in this case means an action taken in relation to people with disability that is reasonably likely to humiliate, offend, intimidate or distress the person.

Welfare

IRT Academy will typically refer you to Lifeline Australia. The website can be found at www.lifeline.org.au or phone on 13 11 14.

Costs may apply in some situations, however, if you are an IRT employee, you are entitled to access the Employee Assistance Program. Please see the IRT intranet for contact details.

Training and assessment

If you are undertaking the complete course pathway you will be required to undertake a mixed mode of training delivery. This may include learning via a classroom environment, on-the-job training, self-paced learning and/or online learning.

Classroom/Virtual Session attendance (full qualifications)

80% attendance is required. Attendance will be recorded by the Trainer/Assessor on a class attendance list at the commencement of each training session including virtual training sessions by teleconference and video conference. Late arrivals and early departures from training sessions are required to be recorded by the Trainer/Assessor. It is your responsibility as a student to notify the Trainer/Assessor and your manager (for trainees and employer supported students) if you are unable to attend a training session for any reason. In this instance alternative arrangements may be scheduled by your Trainer/Assessor. If your attendance is below 80%, where possible, you should provide evidence, e.g. medical certificate.

Class attendance (short courses)

100% attendance is required for all short courses.

On-the-job training/work placement

As part of some courses there will be a range of learning and skill practice activities that you will be required to complete with mentor support at your workplace.

If you are not an existing employee/approved trainee, IRT Academy will provide support to the student to secure work placement arrangements with an appropriate IRT aged care service in the first instance or another aged care provider if IRT is not able to support.

In accordance with IRT policy, students attending an IRT aged care service must, between 1 May and 30 September each year have a current influenza vaccination, unless an exemption applies.

We also **strongly recommend** that all students have an up-to-date vaccination against COVID-19.

Self-directed learning

Students are expected to do participate in self-directed learning for their courses. Students are provided with the relevant resources by IRT Academy.

Online learning

Students who complete components of their course online will be given access to the IRT Academy Learner Management System.

Employer/work placement sponsor responsibilities

Employers who are financially supporting their employees to undertake an IRT Academy course or are Work Placement Hosts are required to:

- Provide on the job coaching and mentoring as well as learning opportunities in the workplace
- Ensure you have access to the materials and equipment you need to learn in the workplace and complete the assessment tasks.
- Advise the IRT Academy Trainer/Assessor if there are any matters affecting the student's progress that relate to the workplace.
- Comply with traineeship contract requirements (if appropriate).

Assessment

Your assessments may involve a range of activities such as; workplace based projects, questionnaires, on-the-job observation by your workplace supervisor or Trainer/Assessor, online activities, a class-based exercise such as a role play or demonstration, and informal assessments including observations of your participation in group activities.

The range of assessment methods used enable us to determine your level of competency against the unit(s)/course requirements.

Your assessor will be an IRT Academy Trainer/Assessor.

For full qualifications, your Trainer/Assessor will issue your Training Plan (trainees only) or Assessment Agreement at the IRT Academy Orientation for your signature. This is the document to ensure that your learning progresses at an agreed schedule and you are best placed to achieve your certificate/statement of attainment.

It is your responsibility to ensure that assessments are completed according to this schedule. If you wish to request any changes, you need to notify your Trainer/Assessor immediately. Time extensions may be applied for under extenuating circumstances. In this case you will complete an Assessment Extension Application. The application will be reviewed by your Trainer/Assessor in the first place and then referred to RTO Delivery Manager for consideration. In some instances, you may be requested to provide evidence to support your application such as; a medical certificate.

IMPORTANT: All students should keep a backup copy of all assessment work should submissions go missing.

When we are planning assessment with you, your Trainer/Assessor will consider the following factors that may significantly affect the student's capacity to demonstrate competence:

- Remote location;
- Custodial situations (e.g. access to a computer);
- Cultural background;
- Individual needs due to disability;
- Language, literacy and numeracy level.

Reasonable adjustments will then be planned for, documented on the assessment record and implemented to ensure that such factors do not impact your performance.

Written feedback will be provided to you for each assessment item including guidance and advice on your strengths and areas for improvement.

At IRT Academy we are required to comply with national assessment principles to ensure that our assessment processes are valid, reliable, flexible and fair. The Trainer/Assessor will seek evidence to confirm achievement of the competencies and more than one competency may be assessed at a given time.

Late submission of assessments

You should contact your Trainer/Assessor as soon as possible, giving reasons for the lateness of your submission. For assessments, you have seven (7) days to do this, or until the day of your next class, whichever comes first. Where possible, you should provide evidence to support what you say, e.g. medical certificate.

Student assessment records

Assessment evidence (original) submitted by you is retained by IRT Academy for a period of two years and includes assessment tools inclusive of; observation checklists, workplace supervisor checklists/reports, completed written tasks/assessments, assessment records and assessment summaries.

You will sign the Assessment Record with feedback on your performance and have an opportunity to comment.

Results

Results for each unit of competency will be recorded on the Assessment Record and the Assessment Agreement as the following:

<p>Competency Achieved C</p>	<p>This result indicates that the relevant learning activities and assessments have been submitted to the Trainer/Assessor by the due date, and met the required standard.</p>

Maximum assessment attempts

A student may attempt an assessment five (5) times.

If the student is not assessed as competent after five attempts student will be assessed as Competency Not Achieved (CNA). The student is required to submit a written request to the RTO Manager showing cause as to why they should be re-enrolled.

The student will be responsible for the administration fee associated with re-enrolment. If approved and the qualification remains current the Trainer/Assessor will advise the student of the assessment requirements to demonstrate competency. If the unit is no longer current the Trainer/Assessor will discuss the available options including the study requirements in the current version of the unit of competency.

The appeals process is available to the student for all assessment attempts.

Appeals process – academic matters

Applications received from student/s for reconsideration of an unfavourable decision or finding are to be treated with the highest importance.

An appeal must be made in writing using the Assessment Decision Appeal Application form provided by the Trainer/Assessor and specify the particulars of the decision or finding in dispute.

Appeals must be lodged within 10 business days of when the decision or finding is communicated to the student.

The following procedure is to be followed when an application for appeal is received:

- A student appealing and assessment decisions is to be referred immediately to the RTO Delivery Manager. The RTO Delivery Manager is to arrange for a re-assessment of the student as soon as possible.
- The student is also to be offered the opportunity to undertake additional training before this re-assessment. The student may be offered up to two reassessments.
- If after the reassessment, the student remains not-yet-competent and is unsatisfied with the assessment outcome, the student is to meet with the RTO Manager in person or by phone to discuss the assessment process and the assessment outcome.
- If after consultation with the RTO Manager, the student remains unsatisfied with the assessment process, the student is to be offered to pursue the matter as a complaint and the matter is to be dealt with in accordance with the complaint handling procedure.

- If the student is seeking a refund of their tuition fees based on an unfavourable outcome, this may be considered by the Group Head IRT Academy on its merits. If the Group Head IRT Academy does not approve a refund and considers that IRT Academy has dealt with the matter appropriately and has provided the student all reasonable opportunity to demonstrate their competence, the student is to be advised of the opportunity to refer the matter to the Office of Fair Trading in relation to their dispute over the requested refund.
- IRT Academy Management Team delegated representative will inform the student of the improvement actions identified.

Plagiarism, cheating and collusion

IRT has developed a procedure to address plagiarism, cheating and collusion. This procedure ensures that mechanisms are in place to avoid Student plagiarism, cheating and collusion and outlines the strategies in place to detect and respond to such incidents.

Definitions

- Cheating: acting dishonestly or unfairly in order to gain an advantage
- Plagiarism: to take and use the ideas and/or expressions and/or wording of another person or organisation and passing them off as one's own by failing to give appropriate acknowledgement.
- Collusion: unauthorised collaboration between Students, collusion is a form of plagiarism. Students should not knowingly allow their work to be copied.

Student responsibilities:

All Students have a responsibility to:

- familiarise themselves with the type of referencing required for their competency(s)
- avoid all acts which could be considered plagiarism
- seek assistance from appropriate sources with any writing tasks where they are aware they require assistance

Preventative action

Whenever a student uses the thoughts, ideas, research findings or words of someone else, the student must show from where those thoughts, ideas, research findings or words have come. It is therefore essential to learn how to reference work in an appropriate manner. If Students do not reference their work correctly – that is, if a student is found guilty of plagiarism, penalties will apply.

Consequences of plagiarism, cheating or collusion

Any of the above behaviours will result in the student(s) responsible receiving a result of 'Not Yet Competent' for all units impacted by the behaviour. If it is found that a student has repeatedly plagiarised, cheated or colluded, they may be expelled from the course.

Student records and certification

All Students have right of access to their own records. Only authorised personnel may access student's records upon written authorisation from the student. Students wishing to access their records must submit a written request to the Learning Solutions Team. Access to student's records is only available at the site where the records are kept and or archived.

Certificates/Statements of Attainment

Upon successful completion of the course requirements, you are eligible to receive the qualification certificate/statement of attainment and copy of course/unit of competency(s) transcript.

Requests for replacement Certificates/Statements of Attainment

Request for a replacement certificate or statement of attainment by the student will incur an administrative charge as listed in the IRT Academy Fees and Charges Schedule.

All requests for replacement certificates or statements of attainment must be in writing, and submitted to IRT Academy at; irtacademy@irt.org.au for processing.

Deferrals

If for any reason you wish to defer your involvement in training and assessment, please discuss this with your Trainer/Assessor as a first step. Your Trainer/Assessor may refer you to another, appropriate staff member to discuss any support requirements or to the RTO Manager if you have a complaint or grievance. In all instances we will endeavor to implement processes that will support you to continue with your training.

If you do decide to defer you can only do so for a maximum of 12 months, after this time you will not be entitled to continue with your course.

Withdrawals

If you decide to withdraw from a course, we ask that you discuss the reasons for doing so with your Trainer/Assessor. They may refer you to the RTO Manager IRT Academy if you have a complaint or grievance.

If you still decide to withdraw then the following applies:

- You should give formal notice, by either emailing the Academy (irtacademy@irt.org.au), or completing the Withdrawal/Refund Application form, detailing the date and reasons for your withdrawal.
- You will be refunded any outstanding fees in line with the Fee and Refund Policy.
- You will be issued any Statement of Attainment for units assessed as competent within 21 days of notice of discontinuation.

- Your Training Plan/Assessment Agreement will be updated and you will be given a copy.
- You will be given the results of any assessments. The result for a unit of competency will be reported as – Withdrawn.

Withdrawal from a course that is assessed holistically

Holistic assessment is when multiple units of competency are combined and assessed together at the end of a cluster or course. If a student is to exit a program that is assessed holistically, prior to completing the holistic assessment, a Statement of Attendance will be issued for the face-to-face sessions attended.

Terminations

Students who fail to achieve minimum levels of progress according to course requirements without appropriate notification or communication, for more than four consecutive weeks will be deemed as having withdrawn the course.

Students who withdraw or are terminated are required to apply for re-enrolment, if they wish to return to the course. Please note that fees for enrolment will apply as per the Fees and Refunds policy of IRT Academy.

If there is a significant breach of IRT Academy and/or IRT Policy and Procedures a Student may be terminated from their current enrolment with no provision for refund.

Enrolment cancellation

IRT Academy retains the right to cancel a student's enrolment if it is deemed necessary.

Following review of student progress and participation, the IRT Academy Group Head IRT Academy (or delegate) has the authority to determine if a student is not meeting the Academy and course requirements (including work placement components).

The following procedure will be followed:

- The first meeting will be convened with the student, Trainer/Assessor and RTO Manager to discuss the situation and finalise a plan of action to resolve the identified issues. This agreed plan will be shared among all parties in writing and be held in the IRT Academy Student Management System on the student's record.
- Should progress as per agreed to plan not be evident, IRT Academy RTO Manager (or delegate) will convene a second meeting with the student, Trainer/Assessor. A revised plan will be established if deemed appropriate and the student will be advised that this is a final warning.

- Should progress as per agreed to plan not be evident, the IRT Academy RTO Manager will convene the third and final meeting with the student and Trainer/Assessor. The student will be formally advised that his/her enrolment will be cancelled.
- Should a refund apply the IRT Academy Fees & Refunds Policy will apply.

Complaints – non-academic matters

At IRT Academy, we strive to make your learning experience positive, constructive and achievement oriented.

On occasion however, you may not be fully satisfied with the services we provide and we have the following procedure developed so that we can promptly respond to any complaints and continuously improve our operations.

How you can make a complaint:

1. The complaint must be submitted in writing. We are available to assist you with this if necessary. (Use the IRT Academy Complaint Form - see Appendix 1.)
2. The complaint may be made directly to the RTO employee involved or it may be made to that person's supervisor. If you feel you need extra assistance with lodging your complaint please let us know.
3. Please include your name and sign your complaint as it is difficult to appropriately action an anonymous complaint.

How we will respond to your complaint:

1. When we receive a complaint we assess it in terms of its seriousness and urgency.
2. We will acknowledge its receipt and let you know the likely timeframe for dealing with the complaint within 48 hours of receipt.
3. If the complaint is about an assessment result then the above IRT Academy Appeals Procedure will apply.
4. If the complaint is about a person or a process then the IRT Grievance Policy will apply. See IRT Grievance Policy No. 2.07 on IRT Intranet or request your Trainer/Assessor for a copy.
5. You will receive a response to the complaint personally either during a meeting or via the telephone with email/written confirmation of discussion.
6. If you remain dissatisfied with the outcome of the complaint handling, the Group Head IRT Academy may arrange for the complaint to be considered by an appropriate independent third-party such as The Resolution Institute <https://www.resolution.institute/> Fees will apply as published on The Resolution Institute website at the time of lodging the application to The Resolution Institute.

These costs will be equally shared between IRT Academy and the complainant.

IRT Academy will implement all matters agreed to within this external process within 30 days, and will give due consideration to all recommendations made by The Resolution Institute.

7. If the above service is unable to resolve the matter, you may refer the complaint to ASQA.
In some cases, ASQA may not be the appropriate body to handle a complaint. ASQA can only deal with complaints about:
 - the information provided to the student by an RTO about the course/s they are interested in;
 - the delivery and assessment of the training the student has received; and
 - the qualifications the student has or has not been issued.

Making a complaint to ASQA

- To make a complaint, you are to lodge their concerns using ASQA's online complaints portal <https://asqaconnect.asqa.gov.au/>.

Complaints referred by another agency may be accepted through agreed alternative communication protocols.

Issues raised in complaints undergo an assessment to determine whether they are within ASQA's jurisdiction. Where a complaint relates to a provider or an issue that is the responsibility of an alternate agency, ASQA will inform the complainant of the appropriate agency to respond to their complaint.

ASQA also provides information on its website about other agencies that may be able to assist individual students to resolve their complaints. A person lodging a complaint about a provider to ASQA is asked to disclose their identity to ASQA to help with assessment of the information that they are providing.

- IRT Academy employees will be available to provide assistance to students during the complaint handling process.
- The response to the complainant must include information that demonstrates that the matter was thoroughly reviewed and what actions and outcomes have been identified as a result of the complaint.
